Trophy: **Jeff Cunningham** Awarded to **Junior male Player of the year**

The history behind the name: Jeff started at the club at the age of 7; he has never missed a year since. Jeff is still playing today in Premier League after 27 years. Jeff has what you would call a heart of gold and a ticker on the field of lion, when playing he knows no other way other than 110% passion. We named a trophy in his honor and also because he has also been inspired by John Harris's playing career and wanting to eventually over take the 43 year stint.

Trophy: **John Luddington** Awarded to **Junior female Team Encouragement**

The History behind the name: John was the silent but deadly achiever for Sans Souci Football Club.
